THE STICK!

Q. What is the rule for releasing the rock when using a delivery stick?

A. The complete article may be found at www.stickcurling.ca but the short answer is "the stick must be removed from the stone's handle prior to the leading edge of the stone touching the near side of the hog-line."

**Seems that Marj Dudley and 3 guys, all curling with the stick, just won a bonspiel in Aylmer. They have qualified for Regional Finals on March 1 in St. Marys.

This may be a first for our club and great encouragement for stick people.

ADVANCED CURLING CLINIC

Held January 12th, 2008

The 'advanced' clinic held at the club under the direction of BOB LaROSE; SUE BECKETT, and DAVE BECKETT was an outstanding success, according to the rave reviews received by this writer the week following.

20 curlers showed up for the event, and lots of on-ice instruction was given by the instructors, along with lots of good tips. All six sheets of ice were used, so the participants were broken off into groups of 3 and 4, to ensure lots of individual instruction.

Our thanks to those amazing instructors, BOB, SUE and DAVE, who gave selflessly to conduct the clinic. Also to KEVIN BREVEIK and his crew who prepared the ice for this special event.

Skills and Development Committee

MONDAY DAYTIME MEN'S OPEN COMPETITION

We have finished our first round robin series of 13 games. In the standings so far we have:

Ron McLennan	37 points
Willie Weiler	33 points
Rick Allum	31 points
Dave Weber	29 points
Jim Lone	28 points

These top 5 are closely followed by McFarlane, Novlan and Bancroft.

The last 8 games will see the top teams playing other top teams and so standings could change.

Good luck to all curlers and we will see you on March 31st for our final games, prizes and a celebration of spring.

SATURDAY NIGHT FUN SPEIL

Thank you to all who participated in the Saturday Night Fun Spiel January 19th. The full draw saw twenty three non members participate in a night of instruction and fun curling followed by Pizza and beer.

Winning teams received Tim Horton cash cards and a guest on Claveau's team, Mistie Sharkey, won the draw for a curling broom.

A special thanks to Bob LaRose for providing curling instruction before and during the game. There was positive feed back from both members and non members.

Don Agnew
Convenor

SENIOR MEN

With the advent of 2008 our members, once again, asserted themselves as best of the best. Chuck Townsend led off January, with his team of Dave Gray, Laurie McKenna and Barry Montgomery, taking the Tier 55 at the LCC on January 11th. He followed up with a Tier 65 victory in St. Thomas on January 18th, with his team of Al McLeod, Laurie McKenna and Barry Montgomery.

Not to be outdone, Dan McInnes, with his team of Garry Thompson, John Rudell and Bob Davis, walked away with top honours at the Tier 55 in St. Mary's on January 25th.

My mind wanders--- That's not a good thing though. It's too small to be alone !!!

Roger LeBlanc once again showed his acumen by winning the Senior Mixed on January 12th at the Granite Club in Chatham with his team of Marguerite LeBlanc, Mary Blasl and Garry Thompson. He then coupled with Marj Dudley, Don Dudley and John Rudell to scoop the Stick tournament in Aylmer on January 29th. To round out the month he, Dan McInnes, Garry Thompson and Bob Davis took top honours at the Tier 60 in Ridgetown on January 30th.

February is off to a good start with the Team of Ron McLennan, Nick Sauter, Chuck Townsend and Bob Wakefield taking the Tier 55 in Norwich on Feb. 1st.

Depend on the rabbit's foot if you will, but remember, it didn't work for the rabbit.

OCA REPORT

Juniors/Bantams

Life is busy in Bantam Curling! David Easter & his team (Brian, Aaron & Curtis) played a terrific Zone in lovely downtown Kingsville, winning the A side. What was most satisfying was to finally win a Zone badge for Brian Scott, as it is his last year of Bantam and he had yet to win a badge.

It typically came down to last rock - Easter was coming home with the hammer in the 8th but was down by 2. All four boys literally played the end perfectly, with everyone making their shots and showing nerves of steel. With LCC sitting two, the other skip flashed on his last rock (a take-out in the back 12 foot) to allow Easter to draw for three.

Alas, Regionals was another weekend, another city (Welland) and some tough ice conditions as well as a REALLY cold rink to play in. The boys played well, but were unable to make it to Provincials (which was their goal this year). At least there's next year...

Mixed Bantam and Junior Zones will be taking place in Chatham on February 23/24. We wish all our Bantams and Juniors who are participating best of luck!

Women

We wish good curling to Candis MacDougall's team as they enter the Intermediate Women's Zone playdowns at the Chatham Granite Club February 1-3, 2008. Candis has Cathy Osborne Rice playing vice, Elaine Nadalin at second and Bonnie Arnold at lead.

Entry into the Mixed and Senior Mixed deadlines have passed with no entries from LCC.

Men

On December 7th Ean MacDonald entered a team in the TSC Stores Tankard at the Sydenham Comm. Curling Club. This was a Zone competition. The team members were Ean, skip, Dave Heinrichs, vice, Ted Elwood, second, and Bob Burdeau, lead. They won four games and lost one and won the "B" final.

From here they progressed on to the Regional competition on January 5th at the Woodstock Curling Club. Here they won two games and lost two. They unfortunately lost the "B" final in the 8th end on a measure by 1/16th of an inch.

On January 4th Dave Beckett entered a team in the Holiday Inn Challenge in Tecumseh (Windsor). The team members were Dave Beckett, skip, Tom Zavitz, vice, Paul Reily, second, and Dave Fraser, lead. This was a Zone competition. They won all three games and were declared the "A" champions.

From here they progressed on to the Provincial competition at Trenton Ontario on January 18th. Here they won one game and lost three in the semi-finals and were eliminated. A very good effort.

Ean MacDonald, Dave Heinrichs, Bill Cantelon and Sil Nadalin will be curling in the Intermediate Men Zone Playdowns February 1-3, 2008 at the Chatham Granite Club. We wish them well!

Travis Fanset, on LCC's ice making staff, skipped his St. Thomas team to win the Ontario Junior Championship...Congratulations!

- We do apologize that we don't have results prior to our deadline.
- It's a good time to check your gripper, either clean it or buy a new one...it's probably starting to wear out.
- Check the OCA website for information and results of competitions.

WOMEN'S DAYTIME SECTION NEWS

CORRECTION: We regret the omission of Faye McDonald's name on the winning rink in the Whittaker & Associates event. We welcome Faye from the Brockville Club and look forward to more trips to the winner's circle.

GRANDMOTHERS' BONSPIEL: On January 16th, ninety-six competitors gathered to curl in the Grandmothers' Bonspiel. There were sixteen out of town teams and eight LCC teams competing.

The theme of this year's Bonspiel was Grandmothers' Tea, as was reflected in the club's decorations. In the stairwell sat an antique tea trolley with memorabilia from the Empress Hotel. Placemats with teacups and potted silk flowers were used to decorate the downstairs tables. The upstairs tables were adorned with candles in teacups and teapots with fresh pink and white roses. Lunch was catered by Under the Volcano.

The trophy winners were: Brenda Taylor, Brenda Hoyles, Jill Slaughter and Diane Byrnes from Chatham, curling in the second draw. The first place winners from the 9 am draw were: Christa Brouwer, Vern Taggart, Bertha Stickland, Ann deRyk from Aylmer. Our own club teams of: Jill Day, Betty Burrows, Susan Lundy and Holly Cox and Sheila Novlan, Deanne Fitzpatrick, Nellie Haig and Miolyka Steele came third in their respective draws.

We would like to thank Heather L. Greenfield CFP, of Dundee Private Investors Inc. for sponsoring this event. Heather is a member of the London Curling Club and a long time sponsor of curling events.

Thank you to all the volunteers who made this event such a success. New to the convenor game are Sherry Chambers and Eleanor Fair. They rescued the event and did a superb job. Thank you both!!!

FRIDAY COMPETITIVE LEAGUE (Penny Brown, Jean Cameron): We completed our 13 week round robin play on Jan. 25th. The top team was Skip Marlene Benny, Marylynne Patterson, Mary Lois Cooper & Mary McGuigan. With so many fine teams, this is a wonderful achievement.

The 14 teams have now been placed into A & B flights for the playoffs which will take place Feb. 1st to Mar. 14th. There will be 4 prizes awarded in each flight. As always, we will wind up with a sumptuous Pot-Luck lunch at the completion of the playoffs.

A sign-up sheet for the 2008-2009 curling season has been posted on the bulletin board in the Ladies' locker room. Now is the time to confirm your team's entry for the coming year. As well we would love to welcome new teams to our roster. There is also a spare list posted where individuals can indicate if they would like to only spare in the Friday league or if they would also be available to join a team full time. Good Luck to all the teams as we start the playoff event.

BERNIE'S: (Bonny Shawyer, Karen Lowry)

The Bernie's was a successful 6-day event on Tuesdays from December 11, 2007 until January 29, 2008. Congratulations to Marlene Benny and her team of Mary-Fran Mahoney, Pam Harrison and Sydney Davidson for winning the trophy. Doreen Stacey, Penny Brown, Sue Lundy and Faye McDonald were second and Lil Richardson, Marlene Suzuki, Gail Agnew and Sue Arnold were third.

After the last game the curlers enjoyed a snack of punch, wings from Bernie's, salad, rolls and cookies. Janet Stenson gave us all a lesson in how to shop for a husband and warned us not to be too fussy! Unfortunately our spare list was very short this year and some teams were forced to play with three players at times. Hopefully more curlers will join this event next year and if they cannot play all the games will sign up to be a spare. Congratulations to Bonny and Karen for their smooth execution of this event.

CARD PARTY: (Connie Weir, Linda Peeling)

The annual winter Card Party was another successful, sold out event, with 80 women (20 tables) enjoying lunch and an afternoon of cards and friendly chatter. Tickets were priced at \$32 for a table of four. This event, a fundraiser for the Women's Daytime Section, generated revenue of \$584.00.

As usual, the generous members of the WDS donated all luncheon items, as well as providing all the kitchen help – setting up, serving and cleaning up afterwards. Convenors Connie Weir and Linda Peeling chose a blue and white "snowman" theme, but kept the decorations simple. Twenty-one door prizes, also WDS donations, were drawn for over the course of the afternoon.

CURL FOR THE CAUSE (Marj Dudley, Fay Weiler)

This year we are supporting My Sister's Place. All donations, material and financial, will be gratefully received by Marj and Fay prior to February 20.

Tax receipts are available. Please sign up individually---we hope to fill all 6 sheets and support our new sponsor, Kay Carr.

WOMENS DAYTIME SECTION NEWS

BEST WISHES to Barb Vitkauskas, Lois Wright, Gail Agnew and Verna Capson. For health reasons they have been forced to leave us for at least the rest of this curling season. We miss them and wish them speedy recovery

GREENING THE CURLING CLUB: Barb Dalrymple

Blue box curb recycling is probably available to the Curling Club under Non-Profit Organization Pickup. The city will provide us with two blue boxes and a garbage pick-up calendar. Placemats, the paper cups on the ice, fine paper and plastic bottles could then be recycled. At the present time, cans are donated to the Shriners. Curbside Recycling is something that the Board might wish to discuss for the fall. It would involve someone placing the blue boxes at the curb on the appropriate day and then retrieving them. If the decision were made to practice recycling, the Board might also consider using recyclable plastic drink cups--#5's. Until then, members might think about taking plastic bottles, paper, draw tickets etc. home with them to recycle.

FUND-RAISERS

THEATRE NIGHT (Pam Harrison)

Our second Theatre Night fundraising event was held on January 24, raising \$65. This brings our fundraising total to \$2,318.51. "Jitters", a wonderful comedy written by David French, was a production of the London Community Players and a joint fundraising effort with the Palace Theatre. Our next Theatre Night will be held on Thursday, February 28 with the performance of Neil Simon's "Barefoot in the Park". Tickets are available from Pam Harrison for \$12 each. Thanks to those who purchased tickets and supported our fundraiser. Please help to support our next Theatre Night fundraising project.

NASH DIAMOND (Pam Harrison)

To celebrate their 55th Anniversary of sponsoring the WDS Event in their name, Nash Jewellers has very generously donated a 1/4 Carat Polar Bear Diamond, mined, cut and polished in Canada and valued at approximately \$1,000 to be used specifically for WDS fundraising purposes. Ticket sales will commence on February 12, the first day of the competition and the winning ticket will be drawn on April 1 on the last day of the Nash Event. Proceeds will be used for the upper lounge renovations, along with proceeds from all other 2007/08 WDS fundraising events.

OUT OF CLUB BONSPIELS: The best showing of our competitive rinks this January was the Sylvia Leuszler team: Linda Peeling, Dianne McKenna, Joyce Hetherington. They won the first draw at the Highland One Day and they won the "B" event, at the Ilderton Two Day winning 3 of their 4 games. Congratulations you four!

AROUND THE HOUSE

London Curling Club is a member club and we have many "volunteers" who give cheerfully of their time and talents, to keep it operating, paint the walls, make coffee and to perform numerous tasks in the day to day operation.

The Women's Two Day Committee was delighted recently to find Doug Petch and Don Agnew in the upstairs women's washroom. They, along with Don Lowry were giving the room a much-needed painting.

On any given day, Garry Thompson can be found changing a light bulb or a toilet, whatever the need may be.

Another of our "Unsung" heroes is Bill Easton. He has a fount of knowledge about the building and is always willing to be involved to keep us running warmly and safely.

The person who keeps the office computers running and in good condition is Eric Duggan. He is also our very efficient Webmaster and members and visitors commend him for a user-friendly site.

Without these and our numerous other wonderful volunteers, we would not have the warm, friendly club that we do. Let's continue to work together to keep it that way. When you see someone performing "any" task, large or small, be sure to say Thank You. They do it for all of us.
